

Try Your Luck

Confidence Man

I must confess
I've been sleeping with your ex
Cause I heard he was the best
I must confess
I never would have guessed he would get so obsessed
I'm not surprised
I'm popular with all the guys
Oh how they try
I have to walk around town in a disguise

Try your luck with me
Try your luck with me
Try your luck with me
Try your luck with me

Try your luck, please try your luck, try your luck with me
Try your luck, please try your luck, try your luck with me

Oh take a second
You're looking in the mirror and you see my reflection
You know it's good
And you getting on your knees like a good boy should
And if I think about it
I like the way you dance I might give you a chance
Just wait and see
I guess tonight I'm free try your luck with me

Try your luck with me
Try your luck with me
Try your luck with me
Try your luck with me

Try your luck, please try your luck, try your luck with me
Try your luck, please try your luck, try your luck with me

Try your luck, please try your luck, try your luck with me
Try your luck, please try your luck

Try your luck, please try your luck, try your luck with me
Try your luck, please try your luck, try your luck with me
Try your luck, please try your luck, try your luck with me
Try your luck, please try your luck, try your luck with me
