

# Sleep

Conjure One

I know it's late  
I shouldn't call at this hour  
But it's my fate  
I need lips to devour

My nervous system is shot alright  
I won't sleep unless you  
Sleep with me tonight  
Deep with me tonight

I know it's late  
We've known each other awhile  
I can't wait  
To see your twisted smile

Kindred spirit of candle light  
I won't sleep unless you  
Sleep with me tonight  
Deep with me tonight

And my thought to my saint  
I'm so tired but I faint  
Sleep with me tonight  
Sleep with me  
Sleep with me tonight  
Sleep with me tonight

Drown out the machinery in my head  
Bring your peace of mind to my bed  
Without sleep there are no dreams  
Without dreams we fall apart at the seams

Kindred spirit of candle light  
I won't sleep unless you  
Sleep with me tonight  
Deep with me tonight

And my thought to my saint  
I'm so tired but I faint  
Sleep with me tonight  
Sleep with me

Sleep with me tonight  
Sleep with me  
Sleep with me  
Sleep with me  
Sleep with me  
Sleep with me tonight

Sleep with me  
Sleep with me tonight  
Sleep with me  
Sleep with me  
Sleep with me tonight  
Sleep
