

# Baby, I

Conner Smith

You light a fire  
Everything you do, you know it works  
And I might burn the whole place down  
This desire  
This missing you just keeps on getting worse  
The longer I ain't around

I close my eyes  
I see your dress hit the floor  
Just three more nights  
'Til I'm back on your porch

Baby, I  
I can't get you off of my mind  
Why would I want to, want to?  
Baby, I  
I'm wishing I could hold you tonight  
Arms around you, kudzu  
Like a train on a one-track mind  
It's all you, baby, all the time  
Need your lips here kissing on mine  
Yeah. It's true  
Baby, I  
Can't get you off my mind

Like a ghost  
You're tangled up in my sheets in my dreams  
But you know that ain't enough  
Don't come close  
To that 5'7", brown hair, real thing  
Oh, baby, I need  
That whisper, those green eyes, that shadow and that touch  
Even when you're not here  
You're keeping me up

Baby, I  
I can't get you off of my mind  
Why would I want to, want to?  
Baby, I  
I'm wishing I could hold you tonight  
Arms around you, kudzu  
Like a train on a one-track mind  
It's all you, baby, all the time  
Need your lips here kissing on mine  
Yeah. It's true  
Baby, I

This distance between us  
I hate all these reasons  
That I gotta go  
Yeah, until I'm back home  
Baby, I  
Ooh, baby, I  
You know it's true

Baby, I  
I can't get you off of my mind

Why would I want to, want to?  
Baby, I  
I'm wishing I could hold you tonight  
Arms around you, kudzu  
Like a train on a one-track mind  
It's all you, baby, all the time  
Need your lips here kissing on mine  
Yeah. It's true  
Baby, I  
Can't get you off my mind
