

## College Town

Conner Smith

Ain't nobody party like they do in a college town  
Monday to Friday, Friday to Sunday, Sun up 'til sundown

Yeah, well high school graduation came. somehow they let me pass

Told me to go off to college, but man, I wasn't doin' that  
So I loaded up this guitar, put on some boots, and hit the road  
To chase that dream to play and sing down there on music road

The next thing I know, couple songs I wrote got me a record deal

And they put 'em out, sent me out to see how it made the people feel

Yeah, me and my band hopped in a van to go play some college shows

And that's why we're here, so let's drink a beer, 'cause there's one thing that I know

Ain't nobody party like they do in a college town  
Monday to Friday, Friday to Sunday, Sun up 'til sundown  
If you're lookin' for a good time, you know where one can be found

'Cause ain't nobody party like they do in a college town

And I guess in my own way, I'm gettin' my college degree  
Except I don't go to class, and well, my drinks from the bar are free

But damn, it's fun to be this young  
Spendin' Friday night like this  
So y'all raise 'em up 'cause we're in love, it's as good as it gets

Ain't nobody party like they do in a college town  
Monday to Friday, Friday to Sunday, Sun up 'til sundown  
If you're lookin' for a good time, you know where one can be found  
'Cause ain't nobody party like they do in a college town

Well now you know how the story goes, how we got here to play  
So we'll keep crankin' out these country songs 'til they kick us off the stage

Ain't nobody party like they do in a college town  
Monday to Friday, Friday to Sunday, Sun up 'til sundown  
If you're lookin' for a good time, you know where one can be found

'Cause ain't nobody party like they do in a college town

So y'all, let's have a good time 'til they close this place down

Ain't nobody party like they do in a college town
