

# Orange And White

Conner Smith

She said my daddy would kill me if I brought you home  
Tuggin' at this jersey that I got on  
She said she's here for the game and a girls' weekend  
Stayin' with some high school friends  
She said she's ADPI, got a G on her cheek  
I've never heard "Go dawgs" sound so damn sweet  
No, the game didn't go like I wanted  
But judgin' by her smile, I think tonight it's gonna

Now I got a Georgia girl singin' Rocky Top  
Linin' up another Tennessee whiskey shot  
Stealin' my heart and my Bill Dance hat  
Now I'm tellin' her Athens ain't gettin' her back  
She pulled me close and I spun her around  
I laughed and said girl look at you now  
You've been red and black for your whole life  
Now you're fallin' for a boy in orange and white

A girl like you windin' up with a boy like me  
'Bout as crazy as the hail mary back in '16  
She laughed, said I knew you'd bring that up  
I said kiss me and I'll shut up and then  
She said our homecoming game's coming up in three weeks  
If you wanna drive down, you could go with me  
Just leave them colors at home  
No, we can't let anybody know

That I got a Georgia girl singin' Rocky Top  
Linin' up another Tennessee whiskey shot  
Stealin' my heart and my Bill Dance hat  
Now I'm tellin' her Athens ain't gettin' her back  
She pulled me close and I spun her around  
I laughed and said girl look at you now  
You've been red and black for your whole life  
Now you're fallin' for a boy in orange and white

In the mornin', me and Knoxville are gonna miss ya  
'Cause what you're doin' to me now makes it damn sure hard to forget ya

Now I got a Georgia girl singin' Rocky Top  
Linin' up another Tennessee whiskey shot  
Stealin' my heart and Bill Dance hat  
Now I'm tellin' her Athens ain't gettin' her back  
She pulled me close and I spun her around  
I laughed and said girl look at you now  
You've been red and black for your whole life  
But now your daddy ain't gonna like it but that's alright  
Falling for a boy in orange and white

I've never heard Rocky Top sound so damn good
