A Tree In The Meadow

Connie Francis

There's a tree in the meadow With a stream drifting by And carved upon that tree I see "I love you till I die" I will always remember The love in your eye The day you carved upon that tree "I love you till I die" But further on down lovers' lane A silhouette I see I know you're kissing someone else I wish that it were me By that tree in the meadow My thoughts always lie And wherever you go, you'll always know I love you till I die
