

Breakin' In A Brand New Broken Heart

Connie Francis

If my friends should ask for me,
Here at home is where I'll be
There's no one I care to see,
I'm breakin' in a brand new broken heart
Now the heartaches have begun;
There's a job that must be done
I have no time for havin' fun,
I'm breakin' in a brand new broken heart
So, leave me alone, and let me cry, cry, cry
There are tears that must be cried,
Till there's no more tears inside
Let me take a count of ten,
Then I'll bounce right back again
Let me be alone till then,
I'm breakin' in a brand new broken heart
I'm breakin' in a brand new broken heart
