

# I Got a Lot of Hurtin' Done Today

Connie Smith

Today I read the phone book and I memorized some lines  
I walked the floor a hundred miles to places in my mind  
Then I cried some tears and tried to count them one by one  
Oh, there's so many things you never get done

But I got some hurting done today  
I got a lot of pain out of the way  
I didn't get through missing you, but one thing I can say  
I got a lot of hurting done today

I couldn't find the time to do some things I said I'd do  
Like burn your photograph that's signed darling I love you  
I didn't find the time to smile the minutes slipped away  
There's just so many hours in a blue day

But I got some hurting done today  
I got a lot of pain out of the way  
I didn't get through missing you, but one thing I can say  
I got a lot of hurting done today  
I got a lot of hurting done today
