

In Case You Ever Change Your Mind

Connie Smith

She came down from the mansion on the mountain
She kissed you and she handed you a line
I begged you not to go I said darling don't forget me
In case you ever change your mind
Yes the grass grows greener on the mountain
And the berries grow redder on the vine
But the candle still glows in the window in the valley
In case you ever change your mind
Just in case you ever change your mind and long to hold the love
you left behind
I'll be waiting till the end of time in case you ever change your
mind

Are the stars any bigger on the mountain is the sun any brighter
when it shines
Would comin' back to me be like steppin' down from heaven
In case you ever change your mind
Just in case you ever change your mind
Just in case you ever change your mind
