

Thank You For Loving Me

Connie Smith

Out of all the hearts you've known and could have chosen
The blessings of your love surrounded me
For me the door of love had long been closing
If not for you I'd still be searching for my dreams
Thank you for loving me from the bottom of my heart
Thank you for loving me thank you sweetheart
Thank you for loving me and for being what you are
Thank you for loving me thank you sweetheart

I've memorized a million things to tell you
But words can't tell what feelings want to say
True love only beckons to a precious few
And when it moves into your heart it never strays
Thank you for loving me
Thank you for loving me thank you sweetheart
