

Beautiful World

Connie Talbot

I wish I knew why the clouds above are so beautiful
And I wish that I knew why they create pictures for me and you
It's a miracle for us to share
White and grey patterns up in the air
I could daydream and look at the sky forever

Can't you see that it's a beautiful world
Come with me, I'll show you
Open your eyes and see the beauty around
Take my hand, and I'll lead you
It's so wonderful, so magical

Just the other day
I saw an angel and a polar bear playing games in the sky
I saw a king sat in a great big chair
If you look at the clouds everyway
Then they tell us a story each day
And they don't make a sound but they'll share together

Can't you see that it's a beautiful world
Come with me, I'll show you
Open your eyes and see the beauty around
Take my hand, and I'll lead you
It's so wonderful, so magical
It's so wonderful, so magical

Beautiful...
Beautiful...
Beautiful world...

Can't you see that it's a beautiful world
Come with me, I'll show you
Open your eyes and see the beauty around
Take my hand, and I'll lead you
It's so wonderful, so magical
It's so wonderful, so magical

It's a beautiful world...
