

I Wish It Could Be Christmas Every Day

Connie Talbot

When the snowman brings the snow
Well, he just might like to know
He's put a great big smile on somebody's face

If you jump into your bed quickly cover up your head
Don't you lock the doors
You know that sweet Santa Claus is on his way

Well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
To let the bells ring out for Christmas

When we're skating in the park
If the storm clouds make it dark
Then the rosy cheek's gonna light my merry way

Now the frosty paws appear and they've frozen up my ear
So we'll lie by the fire
Till the sleep simply melts them all away

Well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Well, I wish it could be Christmas everyday
So let the bells ring out for Christmas

When the snowman brings the snow
Well, he just might like to know
He's put a great big smile on somebody's face

So if Santa brings that sleigh all along that Milky Way
I'll sign my name on the rooftop in the snow
That he may decide to stay

Well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Well, I wish it could be Christmas everyday
So let the bells ring out for Christmas

Well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas
Why don't you give your love for Christmas?

When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
When the snowman brings the snow
