

I Would

Connie Talbot

Never known my hands to shake
Never had my heart beat so fast
Finally found the words to say
But I'm scared you won't say them back
Wish that you could read my mind
So you could see what's locked up inside
Could I ask a couple questions,
Before the moment passes us by?

Oh-whoa, honestly

Would you give all your life,
If I gave you all of mine?
Would you love me unconditionally,
Be everything that I need,
And do anything for love?
Would you stand by my side,
Until the end of time?
Would you love me unconditionally,
Be the air that I breathe,
And do anything for us?
'Cause I would

Standing on the edge with you
If you jump then I would jump too
Every single breath I take
I would give 'em all for you

Oh-whoa, honestly

Would you give all your lives,
If I gave you all of mine?
Would you love me unconditionally,
Be everything that I need,
And do anything for love?
Would you stand by my side,
Until the end of time?
Would you love me unconditionally,
Be the air that I breathe,
And do anything for us?
'Cause I would

I would, I would, I would
I would, I would, I would
I would, I would, I would
I would, I would

Would you give all your life,
If I gave you all of mine?
Would you love me unconditionally,
Be everything that I need,
And do anything for love?
Would you stand by my side,
Until the end of time?
Would you love me unconditionally,
Be the air that I breathe,
And do anything for us?

'Cause I would
