

# Let It Snow!

Connie Talbot

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow

It doesn't show signs of stopping  
And I've brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow

When we finally say good night  
How I hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And my dear we're still goodbying  
As long as you love me so  
Let it snow, let it snow, let it snow

He doesn't care if it's in below  
He's sitting by the fire's glossy glow  
He don't care about the cold and the winds that blow  
He just says let it snow, let it snow, let it snow

The weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow

It doesn't show signs of stopping  
And I've brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow

When we finally say good night  
Oh, I hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And my dear we're still goodbying  
As long as you love me so  
Let it snow, let it snow, let it snow
