

Lost Love

Connie Talbot

What's light without the dark,
What's height without the fall,
What's the sky without an above,
What's a life without love.

I'd rather not live at all,
Than live my life with nothing to show.

Lost love we gave it our all,
'Cause we'd rather love and lose than not love at all,
Lost love we made it to fall,
I built my house of cards then we can wreck it all.

What's a gift without the thought,
What's a feel without the haunt,
What's a diamond without the price,
What's the bet without the dice.

I'd rather not live at all,
Live my life with nothing to show.

Lost love we gave it our all,
'Cause we'd rather love and lose than not love at all,
Lost love we made it to fall,
I built my house of cards then we can wreck it all.

Lost love we gave it our all...
