

Dabble

Connor Price

Uh, huh, woo, let's go

Yeah, I don't really do it, I dabble (Ayy)
Too chill, way too casual (Woah)
Going upstream, no paddle (Nah)
Price going up, don't haggle
I'm a natural
I just—

No I in team, but there's two in winnin'
Kick a little freestyle, but I ain't swimmin'
Eyes on me while I dive right in it
Everything I do a big plus like Switzerland
Okay, I'm gone a couple minutes, I'm back and I pick it up again
Set the bar, they wanted to touch it, they needin' oven mitts
Got the dub and doubled it, baby, I'm workin' double shifts
Going d-d-dumb on these drums, I'm a p-percussionist
Dibble dibble dab, triple bags, but I did the math
Dribble dribble pass, I don't miss, everything is cash
Missile missile crash on the track, it's a different blast
Giggle giggle, laugh, haha y'all are frickin' wack

Stop, wait
I'ma shoot my shot, ayy
I feel like I'm John Wayne
Let me do this my way

I don't really do it, I dabble (Ayy)
Too chill, way too casual (Woah)
Going upstream, no paddle (Nah)
Price going up, don't haggle (Okay)
I'm a natural
I just dabble, ayy
Too chill, way too casual (Woah)
Going upstream, no paddle (Nah)
Price going up, don't haggle
I'm a natural (Ayy)

Okay, was dabblin' with it until I actually did it
Guess I'm too passionate with it, I started passin' 'em with it
Oh, like my birthday's on Christmas, I'm massively gifted
I guess the flow in Orlando, the magic was in it
This feeling timeless, classic, flow servin' the masses
Mastered it the fair way, rock a green jacket
Hit the finish line, ran past it, lapped it
Yes, I really am who I say, no catfish
Bigger name, bigger price, gon need a bigger bag
Little taste, little bite, they never send it back
Entertained, every night, that's why they get attached
Living proof, took the loot, told 'em I won't give it back

Stop, wait
I'ma shoot my shot, ayy
I feel like I'm John Wayne
Let me do this my way

I don't really do it, I dabble (Ayy)

Too chill, way too casual (Woah)
Going upstream, no paddle (Nah)
Price going up, don't haggle
I'm a natural
I just dabble, ayy
Too chill, way too casual (Woah)
Going upstream, no paddle (Nah)
Price going up, don't haggle
I'm a natural

Alright, that's, that's pretty much all I got
