

Double Check

Connor Price

Yeah, turn a beat pack to a (Hoo), set list
Couldn't tell a bucket list from a checklist
She said my voice is infectious
Had to slow it down like Texas
Always gotta come correct
Pair of Nike shoes, that's a double check
Act and I rap, it's a double check
Go ahead, you can double check

Two-year plan, but it only took me six months
Two career paths and I thought I had to pick one
Two fingers straight up in the sky like I'm Nixon
Two Presidentials on my wrist when I get done
Workin' double time
And that's the only time I'm ever two-faced
Got an extra set of hands workin' at a new pace
Dialed in, comin' for the crown 'til I'm blue-faced (Woah)
Nosebleeds to the courtside, that's the only time I moved down
Head gettin' bigger now, I think I might need two crowns
Said I couldn't do it every time, I'm gettin' chewed out
The mission was impossible, I guess I'm Tom Cruise now
I'm thinkin' big picture
Ironical 'cause I'm poppin' off on phone screens
How am I passin' you up when you got a whole team?
All I need's a cold beat

Turn a beat pack to a (Hoo), set list
Couldn't tell a bucket list from a checklist
She said my voice is infectious
Had to slow it down like Texas
Always gotta come correct
Pair of Nike shoes, that's a double check
Act and I rap, it's a double check
Go ahead, you can double check

I don't move with the industry
They tell me where to go, I take a different street
They say that all publicity is good publicity
But Harvey Weinstein would disagree
I'm in the house makin' tunes
They tryna figure out how to make the news
Took the long road, still I'm outpacin' you
Clout-chasin' dudes with outdated views
Look (Woah), I see a lot of fakin' at the live shows
Sayin' that you shinin', what's a diamond to a rhinestone? (Woo)
Management is cuttin' checks, check the size, though
Takin' more than fifteen percent like Geico
Ruthless, lies on lies, it's all truthless
Claim independent, but we know just what the truth is
We can see the team, it's okay, go and rep that
You got a big machine behind your back, what a jet-pack
Damn, the transparency's invisible
Playin' it conservative, actin' like it's minimal
I see everything is goin' left like a liberal
Peeked behind the curtains, should've known it was political
But I'm off that now
Took a lot of sh—, so I talk that now

I ain't waitin' on nobody to give props out now
I king myself, I ain't takin' off that crown

(Hoo) Reckless
Couldn't tell a bucket list from a checklist
She said my voice is infectious
Had to slow it down like Texas
Always gotta come correct
Pair of Nike shoes, that's a double check
Act and I rap, it's a double check
Go ahead, you can double check
