

Drop

Connor Price

Woah
(100graham)

Straight to the top
Never goin' down, don't wait for the drop
Never stand still, that's the motto, yeah
Brand new Benz for the auto, woah
Foot to the ground, full throttle
Big energy for the night like Latto, damn
Y'all talk lots, never did squat
Life like a Seinfeld plot, mm
Vault full of songs, all of them bombs
Somethin' like a minefield got, boom

Get it, get it, tickets runnin' out quick (Quick)
Bet it, bet it, never gettin' outbid (Yeah)
Said it, said it, never had to shout it (Yeah)
They said I couldn't ever do it, okay, how's this?
Fit a week worth of work in a minute
Machine well oiled, you know how I stay efficient (Woah)
To do lists written, I do this different (Yeah, yeah)
Hold up, wait a minute, I ain't finished, look (Okay)
Flow's the same, the same, the same, the same now
Paved a way, the snakes and fakes are chased out
Back to back to back, I change the pace now
Had to stack the cash until the bank's out

Straight to the top
Never goin' down, don't wait for the drop
Never stand still, that's the motto, yeah
Brand new Benz for the auto, woah
Foot to the ground, full throttle
Big energy for the night like Latto, damn

Wieder ma' am Döner, doch Casino fahr'n wir gleich
Heute ist der Abend, wo ich denke, ich werd' reich
Laufe durch Charlottenburg, doch renn' vor Polizei
In mein' Trainingsanzug Adidas, da fällt es mir zu leicht
Kontakte in Amerika, ich frage sie: "What up?"
Ich wollte nicht saufen, aber habe es verkackt
Handy klingelt ohne Pause und ich lehne ab
Hab' ich Kater nach der Party, geht mir alles auf den Sack
FaceTime-Call mit mei'm Bruder aus Türkei
Er bringt mir ein Trikot, was gefälscht ist, aber geil
Ki-kippe in den Plastikbecher kalten Wodka rein
Ich kann nicht mehr denken, aber stehen wie 'ne Eins
Ich will ein'n Mercedes, der neben gut ausseh'n und schnell fahr'n noch eini
ges mehr kann
Und fragt mich der Kommissar, was ich verkaufe, dann: "Sorry, but I don't sp
eak German"
