

## John Wick

Connor Price

Let's go (Let's go)  
I don't really rap, I just talk and it rhymes  
Look real cool, but I'm awkward inside  
I don't really dance, just walk with a stride  
Don't go out, so I'm often outside  
Wyd? Girl I'm chilling  
Where can you find me? Mind your business  
Pre-heat the oven, give you some loving  
Can't be long girl, don't burn the biscuits  
This ain't a game, it's a passion  
I keep it frozen, I'm lasting, cold as Alaskan  
I got no L's to my name, ain't no Samuel Jackson  
I'm in a whole different bracket  
So who the ones going crazy? We the ones  
Who the ones never breaking? We the ones  
Who the ones never stop 'till it's done?  
Gonna rock till the sunrise blazing? We the ones

You been on my mind a couple days, now that's a problem  
Looking good in every type of way now, top to bottom  
Wait a sec, I ain't even break a sweat  
Told 'em I'm the greatest yet, why they gotta take offense?  
Ah sh-

Yeah, got me feeling like John Wick, uh  
Going pop when I drop this, yuh  
Turn the stage to a mosh pit, woah  
Let it go, let it go  
They call me Simon cause they do what I'm saying  
Sliding left, sliding right, I hit the groove on occasion  
Let's go  
Ayy, got me feeling like John Wick, uh  
Going pop when I drop this, yuh  
Turn the stage to a mosh pit, woah  
Let it go, let it go  
Woah, got me feeling like John Wick, uh  
Going pop when I drop this, yuh  
Turn the stage to a mosh pit, woah  
Let it go, let it go
