Connor Price

100graham

Oh, you taken, huh?
Funny how I see y'all breakin' up
Wanna make sure you choose best
He a sous-chef? Hold up
Let me cook (Uh, uh, uh, tsch, uh, uh, uh)
Let me cook (Uh, uh, uh, tsch, uh, uh, uh)

I ain't in the kitchen, but I still cook dishes
Five-course meal, want some', come get it
I been on a roll, yeah, I been Michelin
Everything I dish, three star, Michelin (Woah)
Cut through like butter with a hot knife (Ah)
Three plaques, two kids and a hot wife (Ah)
Mama said, "Don't say it if it's not nice"
I ain't gon' say it
(Ah) I'm optimistic
Why you so picky?
Try not to nitpick
This ain't no fast food
This ain't no picnic
Hop off my wave girl
This ain't your RipStik
Woah

(Uh) Am I too saucy? Am I too frosty?
That's two yeses
(Mm, uh) I love your body, lips stay glossy
Mwah, chef's kiss

Iconic duo that's Connor and Nic

Askin' for more like they Oliver Twist
Do they really think I'm the GOAT?
(Ayy) Yes, chef
Do I got it under control?
(Ayy) Yes, chef
Can I get a little of those?
