

# Over The Top

Connor Price

The level is just too advanced  
The bezel is Tiffany stamped  
Don't grip on my hand  
I know that I came with a slide from left to right, but now I don't wanna dance  
I got too much on the line, too much on my mind, too much ain't enough for my plans  
Nike don't pay me to tell you, "Just do it"  
They pay me to show you I'll do it again

Facts

Again and again and again  
Winning so much, they be getting offended  
I don't respond or be giving attention  
I just leave that in the mentions  
Oh did I mention  
I'm from a different dimension  
I try to tell them that I am built different  
You know I got different dimensions  
Flow hypnotize 'em, it give 'em dementia (Ooh)  
I'm needing more than one address  
I wanna buy up some land right next to the sand 'cause  
I can't be pale in my casket  
Make sure I die with a tan, it's part of the brand  
And they know I'm taking right off  
I'm next to fly, and I do not plan on landing  
I know that I came with a slide from left to right, but now I don't wanna dance  
Toosie Slide in the DM's  
We started off on the right foot  
What a time to be alive, been seeing my future, my life's good  
Couldn't duplicate what I'm doing even if you took my rhyme book  
My mind took me all the way  
Straight line, moving like my rook  
I'm playing chess, and I do not check on my mates  
'Cause I don't have time for no friends  
Cannot depend on the man  
I slide her some bread in a jam, that's just who I am  
I do not settle for crumbs  
They wanted a piece of the pie, I said "keep your advance"  
Customs just wavin' at us from the window  
They don't even come on the plane when we land  
Go with the plan  
I'm never folding, I'm holding my hand  
Bubbling up like I opened a can of the Coke (Woah)  
Don't mind the mess  
I got my wife helping manage my goals  
I don't think twice when she handle my phone  
I cannot spell out my favorite without even mentioning you, Canada knows  
Load up the beat and I dove in it deep  
Flow bring the heat with the coldest demeanor  
Sharp with the mic, I'ma over achieve  
Bark with no bite, you a Golden Retriever (Ayy)  
Get out the way, is you going or not  
'Cause either way I'm never going to stop  
I kick in the door and I don't even knock  
The verse like a halo, it's over the top
