

# Rare Candy

Connor Price

Look, this ain't even A, this plan B, yeh  
Can't sit still, got antsy, ooh  
Cookin' up heat like ramsey  
Leveled up quick, rare candy  
This ain't even A, this plan B, yeh  
Can't sit still, got antsy, ooh  
Cookin' up heat like ramsey, ah  
Leveled up quick, rare candy

Started thinking on a higher level, now my brain is livin' on a different planet  
Flow so cold I turn the song to ice. I make the shit gigantic. It could sink  
Titanics  
No crew. Don't need those, that's Migos  
One man show like Leo Decaprio  
Don't spit verses. Me, I rap key notes  
Actor slash rapper, word to Gambino, woah  
Livin' in a prison of the internet  
Middle finger to the twitter cynics, I ain't into that  
Jealousy is energy, that's negative. I take it and I flip it like reciprocal  
s, pitiful  
But I never pity the fool like Mister T, I never miss the beat, I always dot  
my "I"s  
I never missed a "T", and now I'm spittin' clean like I'm Mister Clean swish  
in' listerine  
I don't pop pills, I don't sip lean (No)  
Addiction is real, don't get me wrong  
But the songs that they wrote that promotin' the use really pissin me off, Y  
eh that shifts weak  
You a grown ass man, you ain't 16  
Houston, we got a problem, Look at Whitney  
So you can split bars of the xany  
I'll spit bars, level up quick, rare candy

Shout out to all of the legends who paved the way for me right here in my city  
Shout out to Maestro, and Chaos, and Michie Mee, Socrates, Carter, no can't  
forget Drizzy  
I would give me ups to everyone comin' up but the competition lookin' so silly,  
I'm sorry  
I would name some of you but to be honest your names I already forgetted, forgot  
it  
It's all the same, I don't care what you call it  
Your music's still fruity. Tomato Tomato

We get it, we got it, the booze and the models  
The shoes and the dollars, the hoopin' and ballin'  
Hootin' and hollerin', stupid accomplishments, we know you lyin', hakuna mut  
aka  
Used to be cooler like Puma and Hollister  
Losin' yourself in a crew and a moniker  
Pass me the Aux. Gave him the cord  
Can you not see that I'm bored?  
I'm so ahead of my time that they already gave me a Lifetime Achievement Award (Thanks)  
Order! order! in the Courthouse  
Bora Bora when I'm bored now  
They say it's polite to knock. I did. Knocked the whole damn door down
