

Straight A's

Connor Price

Yeah, straight A student but I'm friends with the cool kids (Ooh)
Followin' the rules and the rubric (Yeah)
Freestyle on the bus and it's too lit
Everybody like "Oh damn, who's this?" (Who's this?)
Raisin' the stakes like Ruth's Chris (Yeah)
Clockwork how I shine like Kubrick (Uh)
Yeah, I heard what you got with the music
Think that it's hot, but it's not like mucus

Pick a side, never switch, get a backbone
Girl the only one to hit me on the Batphone (Brrt)
Ayy, turn the rap flow to a cash flow
Cash cow, got the game in a lasso
Five figures this week, no show yet
Yeah, I do it all for my homesetter (Ooh)
Woah, turn a TikTok to a Rolex
And I got more views than a Coachella
Make money off streams 'cause I own it (Right)
Can't exploit me 'cause I know better (Nah)
Work smarter, not harder, I know this (Ooh)
But I still do both, I'm a go-getter (Go)
Scroll back on the 'Gram, you can see just how I get it, ayy
This ain't overnight, I've been at it for a minute, ayy
Word gave me lemons and I turned it into lemonade
Got the juice and I made a brand off of it like I'm Minute Maid

Yeah, straight A student but I'm friends with the cool kids (Ooh)
Followin' the rules and the rubric (Yeah)
Freestyle on the bus and it's too lit
Everybody like "Oh damn, who's this?" (Who's this?)

Ship don't sink, no loose lips (Ssh)
What's a rowboat to a cruise ship? (Mm)
What's a penny stock to a blue chip? (Oh)
What's an NPC to a blue tick? (Ah)
Whole life felt protagonist
Like Bilbo Baggins is (Mm)
Name got weight, no draggin' this
To big for the scale like dragon skin
Now I'm just headed to the top, go kill it
Said he gonna pop, no kiddin', I can never stop, no chillin'
Way too attached, yeah, I cop those feelings
Shot through the roof, I ain't got no ceilin', boom
Hit 'em with the hook, reel 'em in like a fishin' line
Hit the ground runnin' and I'm blowin' through the finish line
Everybody in the crowd bounce when I finish lines
Make 'em all dance like the Finnish prime minister
Face so innocent, flow so sinister
Pay those dividends, hold no prisoners
Try to put it all in a verse
Phone DND, so please, no visitors
