

## 24K Magic (Sing Off)

Conor Maynard

My minds telling me no  
But my body, my body's telling me yes  
Baby I don't want to hurt nobody  
But there is something that I must confess

Grips on your waist  
Front way, back way  
You know that I don't play  
Streets not safe, but I never run away  
Even when I'm away

I wanna rock with you all night  
Dance you into day

A tornado flew around my room before you came  
Excuse the mess it made, it usually doesn't rain, oh

Say my name, say my name  
When no one is around you, say baby I love you

Let me hold you, girl caress my body  
You got me going crazy, you, turn me on, turn me on

All calls diverted to answer phone  
Please leave a message

If I wrote you a symphony  
Just to say how much you mean to me  
What would you do?

Senorita, I feel for you  
You deal with things, that you don't have to

Don't,  
Love, don't play with it  
Don't be dishonest, yeah

Didn't they tell you that I was a savage?  
Fuck your white horse and your carriage  
Bet you never could imagine  
Never told you, you could have it

You  
[Together:] needed me

How deep is your love?  
Is it like the ocean?  
What devotion?  
Are you  
How deep is your love?

So we'll piss off the neighbours  
In the place that feels the tears  
The place to lose your fears, nah

Baby you don't have to rush  
You could leave a toothbrush

At my place  
At my place

Treasure, that is what you are

I'm too good to you, I'm way too good to you

Now I've got you in my space

I'd like to be everything you want

I'm sorry Ms. Jackson (ooh), I am for real  
Never meant to make your daughter cry  
I apologize a trillion times

Yeah, yeah, shorty got down low and said come and get me  
Yeah, yeah, next thing I know  
Como tú te llamas, yo no sé  
De donde llegaste, ni pregunté
