Conor Maynard

You were my sun, you were my Earth
You didn't know all the way I loved you, no

You only need the light when it's burning low
Only miss the sun when it's starts to snow
You only know you love her when you let her go
And you let her go

I need you, I need you, I need you right now
Yeah, I need you right now

Yeah, I knew you were trouble when you walked in, oh

Cause your sex takes me to paradise
Yeah, your sex takes me to paradise

It's the remix to ignition
Hot and fresh out the kitchen
Mama rolling that body got every man in her wishing

With us two in the middle

All of me
Loves all of you
All your curves and all your edges
All your perfect imperfections

If our love is tragedy why are you my remedy?
If our love's insanity why are you my clarity?

I gave you the key when the door wasn't open
Just admit it
See I gave you faith and you doubted it open
Can't deny it

Oh, the taste of your lips, I'm on a ride
You're toxic, I'm slipping under

They try to make me to rehab
And I say no, no, no

These are my confessions
Just when I thought I said all I could say
My chick on the side
Said she got one on the way
These are my confessions
Man I'm thrown and I don't know what to do
Guess I gotta give part two of my confession

Here we go back
This is the moment
Tonight is the night
We'll fight till it's over
So we put our hands up like the ceiling can't hold us
Like the ceiling can't hold us

Where are you now that I need you

You didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

Cause we all just wanna be big rockstars
Live in hilltop houses driving fifteen cars
The girls come easy and the drugs come cheap
We'll all stay skinny cause we just won't eat and we'll
Hey hey I wanna be a rockstar, hey

I left my girl back home
I don't love her no more

And they say, she's in the class
A-team

Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife

You took the clothes off my back
And I let you

When it comes to you
Don't be blind
Watch me speak from my heart
When it comes to you
Comes to you
