

Be Right There

Conor Maynard

I've got all this love, waiting just for you
I just gotta know that your love is true
Can't keep running girl in and out my life
Wanna be your man, not cause the mood is right

If I let you come inside, tomorrow will you hide?
Will you be there for me, when I need someone to hold?
Baby don't misunderstand, I do want you, oh, I care
I just need a little time, before I invest my love

Don't walk away girl (Don't walk away) my love won't hurt you
Don't walk away girl (Don't walk away) I'll be right there for
you
Don't walk away girl (Don't walk away) my love won't hurt you
Don't walk away girl (I want you to breathe me) I'll be right t
here for you

I want you to breathe me
Let me be your air
Let me roam your body freely
No inhibition, no fear

How deep is your love?
Is it like the ocean?
What devotion are you?
How deep is your love?
Is it like nirvana?
Hit me harder, ohh
How deep is your love?
How deep is your love?
How deep is your love?
Is it like the ocean?
Bring me closer, again
How deep is your love?

(Don't walk away girl) How deep is your love
(My love won't hurt you) How deep is your love
(Don't walk away girl) How deep is your love
(I'll be right there for you) How deep is your love
(Don't walk away girl) How deep is your love
My love won't hurt you
Don't walk away girl
I'll be right there for you
