

Cold

Conor Maynard

Cold enough to chill my bones
It feels like I don't know you anymore
I don't understand why you're so cold to me with every breath y
ou breath
I see there's something going on
I don't understand why you're so cold

Are we taking time or a time out?
Can't take the in between
Asking me for space in my house
You know how to fuck with me
Acting like we're not together
After everything that we've been through
Sleeping up under the covers
How am I so far away from you?

Distant, when we're kissing
Feel so different
Baby, tell me how did you get so

Cold enough to chill my bones
It feels like I don't know you anymore
I don't understand why you're so cold to me with every breath y
ou breath
I see there's something going on
I don't understand why you're so cold

'Cause I don't know, I don't know, I don't know, I don't
No I don't, it's true
No I don't, no I don't, no I don't, no I don't
Want anybody else but you
No I don't, no I don't, no I don't, no I don't
No I don't, it's true
No I don't, no I don't, no I don't, no I don't
Want anybody else but you

So distant, when we're kissing
Feel so different
Baby tell me how did you get so

Cold enough to chill my bones
It feels like I don't know you anymore
I don't understand why you're so cold to me with every breath y
ou breath
I see there's something going on
I don't understand why you're so cold
