

Despacito (Sing Off)

Conor Maynard

You have my heart, and we'll never be worlds apart
Maybe in magazines, but you'll still be my star

For the longest while we jamming in the party
And you wining in on me
Pushing everything
Right back on top of me, yeah

I love you boy
Do you feel the same
I don't wanna play, games
No games

We don't talk anymore, we don't talk anymore
We don't talk anymore, like we used to do

I wanna be a billionaire so freakin' bad
Buy all of the things I never had

Despacito
Quiero respirar tu cuello despacito
Deja que te diga cosas al oído
Para que te acuerdes si no estás conmigo

Can we pretend that airplanes in the night sky are like shootin' stars
We could really use a wish right now, wish right now, wish right now

Let's talk about sex, baby
Let's talk about you and me
Let's talk about all the good things
And the bad things that may be

We be all night, love, love

Isn't she lovely
Isn't she wonderful

Lean on me, when you're not strong
I'll be your friend

I like the way you work it
No diggity, I got to bag it up, bag it up

Let my love
Let my love adorn you

Your sex is on fire

I'm gonna swing from the chandelier, the chandelier

I don't really care what people say
I don't really watch what dem waan to do
Still I got to stick to my girls like glue
And I mon nah play number two

No one, no one, no one

Would you believe me if I said I'm in love?

Oh, cause I need you to jump on this grenade for me

No one does it better
When we are together

You look so perfect standing there
In my American Apparel underwear
And I know now, that I'm so down

Súbeme la radio que esta es mi canción
Siente el bajo que va subiendo
Tráeme el alcohol que quita el dolor
Hoy vamos a juntar la luna y el sol

Oops, I did it again
I played with your heart, got lost in the game
Oh baby, baby
