

Never Let Me Go

Conor Maynard

Time is running out, the seconds waste away
Tryna work it out, I'm stuck in yesterday
Wanna shake this doubt, but it's so hard to break
And you're to blame

Feel a little in my head tonight
All the memories are filling up my mind
Sentimental when I drink sometimes
Never know when to draw the line
What I wouldn't do to turn back time
We broke all the rules and, God, it felt so right
I feel a little in my head tonight

Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go

Everything you say becomes a part of me
All of my mistakes, your love will wash them clean
Whenever I see you, I know I'll never leave
No, I'll never leave, oh yeah, yeah, yeah

Feel a little in my head tonight
All the memories are filling up my mind
Sentimental when I drink sometimes
Never know when to draw the line
What I wouldn't do to turn back time
We broke all the rules and, God, it felt so right
Feel a little in my head tonight

Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go
Ooh, ooh, ooh-ooh, ooh, ooh, ooh
Never let me go

I'm up all night 'cause I'm falling (Ooh, ooh, ooh-ooh, ooh, ooh, ooh)
You're in my mind till the morning (Never let me go)
Don't walk away, 'cause I'm falling (Ooh, ooh, ooh-ooh, ooh, ooh, ooh)
Never let me, no, never let me go (Never let me go)

I'm up all night 'cause I'm falling (Ooh, ooh, ooh-ooh, ooh, ooh, ooh)
You're in my mind till the morning (Never let me go)
Don't walk away, 'cause I'm falling (Ooh, ooh, ooh-ooh, ooh, ooh, ooh)
Never let me, no, never let me go (Never let me go)
