

Understand Me

Conor Maynard

Every day when the night falls and it's just you and me
Feelin' like you're made of stone and I ain't got an iron key
Can we vibe with the lights off? Tell me what do you see
Feelin' like you're made of stone

Baby if you could understand me I wouldn't feel so empty
I don't wanna let you go ever let you go
Say you understand me
I'll give you my everything if you need let me go
Ever let me go I won't let you go-o

I won't let you go-o
I won't let you go-o
I won't let you go-o

Can't decide if you're the right one in your eyes I see
We're riding on a tide that turns how funny is the irony
Like you're alive wit' a mic on tell me do you ride for me
Breakin' down your the walls

Baby if you could understand me I wouldn't feel so empty
I don't wanna let you go ever let you go
Say you understand me
I'll give you my everything if you need let me go
Ever let me go I won't let you go-o

I won't let you go-o

I can't lie to you
I keep on trying to meet you where you are
I don't know what to do
Can't say good bye to you
I cannot lie to you
I keep on trying to meet you where you are
I still make time for you 'cause I can't say good bye to you

Baby if you could understand me I wouldn't feel so empty
I don't wanna let you go ever let you go
Say you understand me
I'll give you my everything if you need let me go
Ever let me go I won't let you go-o

Oh yeah-yeah oo-oo
I won't let you go-o
I won't let you go-o
No I'm not letting you go
I won't let you go-o
I'm not letting go

'Cause I won't let you go-o
