

# Precious

Conrad Sewell

I find it hard to sometimes see what's underneath  
'Cause I'm older now and still be known to me  
Oh, you can call it self-destruction or call it what you please  
But it's safe to say we're all just human beings

But the hardest part of when you face the dark  
And the pain that you fear doesn't disappear  
So you drink to numb it, and start blaming others  
Oh, it's enough to make you call it quits  
I said, I'm not giving, I'm not giving up

This life we live  
Well, it's so hard to give  
Well, it really is precious  
It will leave you breathless  
The train is gonna stop  
And nobody wants to leave  
To leave, my baby, I'm not giving up

Trying to keep my feet on the ground, but my head's up in the clouds  
I've been dreaming my whole life and I finally found my sound  
I'm not a perfect man, and nothing comes for free  
Come on, I work hard for the things I got, just to get me what I need

But the hardest part when you face the dark  
And the pain that you fear doesn't disappear  
Man, you drink to numb it, and start blaming others  
Oh, it's enough to make you call it quits  
But I'm not giving, I'm not giving up

This life we live  
Well, it's so hard to give  
Well, it really is precious  
Said, it will leave you breathless  
The train is gonna stop  
And nobody wants to leave (Shut up)  
Said, I'm not giving, I'm not giving up

Ooh, la-da-da-da  
Gonna live my life and shut the door for all of them  
Ooh, baby, please  
Oh, no, no, no  
Don't stop, living the now and  
We'll keep on shining  
Then you know I've gotta be a man of my word

Don't hate me if you don't know me  
Don't tell me if you can't show me  
'Cause I'm not giving, I'm not giving up  
I'm sure not going down  
So bless this holy ground  
Gonna make my family proud  
Holding on to everything that I got  
No, I'm never letting go  
Gonna let my love shine, shine, shine, shine  
No, I'm not giving up

This life we live  
Well, it's so hard to give  
Well, it really is precious  
And it will leave you breathless  
The train is gonna stop  
Come on, nobody wants to leave  
And I'm not leaving, I'm not giving up  
I'm not letting go  
Got that time for sure  
It's not my kind of show  
Go tell the Devil I'm not going  
Tell Jesus I'm not coming  
And I'm not giving, I'm not leaving  
You know you gonna give me, give me, give me, give me, give me some more  
Give me, give me, give me some more  
Got to keep me enough
