

Hoping
Waiting
For something I've been chasing

Dreaming
Fading
Back and forth I've been pacing

You know I'll find my way
You know I'll find my way back
You know I'll find my way back to you

You know I'll find my way
You know I'll find my way back
You know I'll find my way back to you

Back to you
Back to you
Back to you
Back to you
You know I'll find my way
Back to you
Back to you
Back to you
Back to you
You know I'll find my way back

You know I'll find my way back

You know I'll find my way back

You know I'll find my way back

You know I'll find my way back

Learning
Craving
Something I've not been facing

Saving
Feelings
Emotions I'm not embracing

You know I'll find my way
You know I'll find my way back
You know I'll find my way back to you

You know I'll find my way
You know I'll find my way back
You know I'll find my way back to you

Back to you
Back to you
Back to you
Back to you
You know I'll find my way
Back to you

Back to you
Back to you
Back to you
You know I'll find my way back

You know I'll find my way back

You know I'll find my way back
