

Kick It

Conro

I got it bad for a girl like you
You can tell me that you want me too
I want you bad
(I want you bad)

Only looked for a stunner like you
When you move just the way you do
I want you bad
(I want you bad)

There's no need to be alone
I just wanna be there for you
I could think a million things we could do
Baby, me and you

Yeah

Just wanna kick it with you
No telling what we could do
Just wanna kick it with you
(Baby, me and you)

I got it bad for a girl like you
You can tell me that you want me too
I want you bad
(I want you bad)

Feeling my heart and it's cut in two
Making me feel the way you do
I want you bad
(I want you bad)

There's no need to be alone
I just wanna be there for you
I could think a million things we could do
Baby, me and you

Yeah

Just wanna kick it with you
No telling what we could do
Just wanna kick it with you
(Baby, me and you)

(Baby, me and you)

There's no need to be alone
I just wanna be there for you
I could think a million things we could do
Baby, me and you

Just wanna kick it with you
Just wanna kick it with you
