

Let Go

Conro

Let go
Everything you thought you knew
And follow
Listen to the inner voice
We'll get low
I don't wanna hide no more
Keeping it inside
'Cause I just wanna

Let go
Everything you thought you knew
And follow
Listen to the inner voice
We'll get low
I don't wanna hide no more
Keeping it inside
'Cause I just wanna (I just wanna)

Let go, let go, let go, let go
Let go, let go, let go, let go
Let go, let go, let go, let go
Let go, let go, let go, let go

Let go, let go, let go, let go
Let go, let go, let go, let go
Let go, let go, let go, let go
Let go, let go, let go

Let go
Everything you thought you knew
And follow
Listen to the inner voice
We'll get low
I don't wanna hide no more
Keeping it inside
'Cause I just wanna

(I just wanna)

Let go
Everything you thought you knew
And follow
Listen to the inner voice
We'll get low
I don't wanna hide no more
Keeping it inside
'Cause I just wanna

Let go
Everything you thought you knew
And follow
Listen to the inner voice
We'll get low
I don't wanna hide no more
Keeping it inside
'Cause I just wanna

Let go
Everything you thought you knew
And follow
Listen to the inner voice
We'll get low
I don't wanna hide no more
Keeping it inside
'Cause I just wanna (I just wanna)

Let go, let go, let go, let go
Let go, let go, let go, let go
Let go, let go, let go, let go
Let go, let go, let go, let go

Let go
Everything you thought you knew
And follow
Listen to the inner voice
We'll get low
I don't wanna hide no more
Keeping it inside
'Cause I just wanna (I just wanna)
