

Trippin

Conro

Cruising my way down the street
I ain't got no weight on my feet
It feels like I'm floating
Feels like I'm floating

Ain't nobody like you
Yeah, you got me
(Yeah, you got me)
Trippin' all over my shoes
Yeah, I'm falling for you
Ain't nobody like you
Yeah, you got me
(Yeah, you got me)
Trippin' all over my shoes
Yeah, I'm falling for you

Ain't nobody like you
Ain't nobody like you

You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby

You might be out of my league
But I caught you staring at me
It feels like I'm floating
Feels like I'm floating

You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby

Ain't nobody like you
Yeah, you got me
(Yeah, you got me)
Trippin' all over my shoes
Yeah, I'm falling for you
Ain't nobody like you
Yeah, you got me
(Yeah, you got me)
Trippin' all over my shoes
Yeah, I'm falling for you

Ain't nobody like you
Ain't nobody like you

You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby
You want me
I got you
You want me
I got you, baby

I got you, baby
