

# Way Up

Conro

Oh, yeah  
Ah, yeah, yeah

I got some problems I could stress about  
But that ain't what I'm feelin' now (no)  
Sometimes the drama follows me around  
But I don't let it get me down

'Cause when this crazy town is killing my vibe  
I'll grab my shades and hop in the ride  
The future's bright like stars in the sky  
Let's get going

'Cause I'll be on my way up soon  
Sipin' on this chardonnay like, ooh  
Not watchin' the waves I'm crashin' through  
No more time to lay low  
I'll be on my way up  
I'll be on my way up soon

Ooh  
Ooh  
Sipin' on this chardonnay like  
Ooh  
(Ooh Ooh Ooh)  
Ooh  
I'll be on my way up soon

Take it, yeah  
Take it, Ooh  
Take it, yeah  
Take it  
Take it, yeah  
Take it, Ooh  
Take it, yeah

I got some problems I could stress about  
But that ain't what I'm feelin' now (yeah, yeah)  
Don't like the drama pullin' me around  
And I just can't be bothered now

'Cause when this crazy town is killing my vibe (is killing my vibe)  
I'll grab my shades and hop in the ride (hop in the ride)  
The future's bright like stars in the sky  
Let's get going

'Cause I'll be on my way up soon  
Sipin' on this chardonnay like, ooh  
Not watchin' the waves I'm crashin' through  
No more time to lay low  
I'll be on my way up  
I'll be on my way up soon

Ooh  
Ooh  
Sipin' on this chardonnay like  
Ooh

(Ooh Ooh Ooh)  
Ooh  
I'll be on my way up soon

Take it, yeah
