

Can't Give Up

Consequence

Say it with me now
Uh-uh uh, uh
Say it with me now
Uh-uh uh
Say it with me now

I've had so much drama with these A&Rs that sometimes I wish Drama was my A&R
Before I had the luxury of planes and cars, I knew it was up to me to play these cards
So I bodied every chop at the ASR
[?] body shop might pay for that car, uh
A young boy just tryna get the math right
Hoping they would call out my name on draft night
But they ain't never teach us 'bout recording contracts
All we ever saw were arrests for carjacks
And there were many G's out here, many thieves out here
And Benny Bs out here robbin' little brothers with outfits
Wish forced us to grow up quick and made us lose many friends we would grow up with
But one thing I learned in the game I'm from is that you can't give up on the things you love

Can't give up on the things you love (Say it with me now)
Can't give up on the things you love (Say it with me now)
Can't give up on the things you love

To all my young bulls who would do what Jordan would
When I was 23 they all looked like Jordyn Woods
I do this for the hood, it's Queens get the money
Uh, say it with me now, "Queens get the money"
Couple [?] I ain't had no skrilla
But got chains by police on them bikes and four-wheelers
'Cause you know how sticky it get when you ain't got a set
And you facin' eviction over \$650 in rent
So I repent and I pray for passes (Yeah)
For all the strippers that I paid in passions
And all the white girls who shook they asses (Uh)
I know Dr. Umar okayed them lashes
But I made them classics that got us all the hipsters
Ask Johnny Nuñez, he got all the pictures
I only got richer as the game progressed
So my teacher told me I got an A in finesse (Ay)

Can't give up on the things you love (Say it with me now)
Can't give up on the things you love (Say it with me now)
Can't give up on the things you love

Oh, Oh
Can't give up, no you can't give up (Can't give up)
Can't give up, no you can't give up (No you can't)
Can't give up, no you can't give up (Say it with me now)
Can't give up on the things you love (Say it with me now)
Can't give up on the things you love (Say it with me now)
Can't give up on the things you love
