Make You Happy

Consequence

Oh,
Hey, girl. Help me know,
What is it that really does it for you?
Is it about the things that money buys
Or a man that loves you?
Cause I'm just looking at how good you look
And right away I wanna.
So how do you want it?

Cause I can do it fast or slow
Either at the crib or at the mo
Now I can keep you up all night
Or we could make it quick but do it just right.

So girl, come with me.
We can have a good time.
Take a load off ya mind.
Girl, dance with me.
Baby, you never know.
You and I could be something, girl.
I can be anything that you want.
I could thug it or love it.
So what's it gonna be?
Bet I could make you happy.

Now I don't know what you
Expect from a man these days
But girl, I just know that
whatever it is I got you.
Listen, baby .
You won't ever have to wonder.
Any time you want it, here's my number.
Call me up when you need someone to play with
Or be serious with you.

Cause we could f**k around(?)
And give it to you and turn you out
Or I could just come and hold you
And be the perfect gentleman.
Whatever you want.

Girl, come with me.
We can have a good time.
Take a load off ya mind.
Girl, dance with me.
Baby, you never know.
You and I could be something, girl.
I can be anything that you want.
I could thug it or love it.
So what's it gonna be?
Bet I could make you happy.

If you tell me what you like,
I can give it to you right.
Either way it's hard to say to me.
Just don't be playing no games with me.
I only got one night in town, baby.

So I suggest you let me know if you down. baby.
Tell your girlfriends that you gonna see them later.
Tell your boyfriends don't be a hater.

Girl, come with me.
We can have a good time.
Take a load off ya mind.
Girl, dance with me.
Baby, you never know.
You and I could be something, girl.
I can be anything that you want.
I could thug it or love it.
So what's it gonna be?
Bet I could make you happy.

Girl, come with me.
We can have a good time.
Take a load off ya mind.
Girl, dance with me.
Baby, you never know.
You and I could be something, girl.
I can be anything that you want.
I could thug it or love it.
So what's it gonna be?
Bet I could make you happy.
