

No Apologies

Consequence

Real love is allowing people to be themselves
Showing vulnerability is actually being strong

Ayy, we did what we did to get paid
How they think all them millions got made?
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies
Ayy, we did what we did to get paid
How they think all them millions got made?
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies

I come from the black medallions, no gold
Still put the blacks to count, we're going gold
That many sold, you must've sold your soul
No, I just broke the mold, but never broke the codes
While the rest got exposed by the ghosts of their past
For throwing up cap like a graduating class
But Queens been running around since Run and them hollers got [?]
So two things we never do is run or apologize
Mob ties on the East and West coast
And my net look like the port where the ethernet goes
Which mean the gas glow from my head to my toes
And all my connects know how I do with the hoes
I go Rich Paul in the room with Adele
And this bitch call him in the pool with Michelle
And her tops off like she cool with Janelle
And if it pop off, I'm kicked out the hotel

Ayy, we did what we did to get paid
How they think all them millions got made?
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies
Ayy, we did what we did to get paid
How they think all them millions got made?
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies

I don't want no long apologies, you know what I'm sayin'?
When you're proven wrong

Laughin' don't feel right then it won't feel night
If it don't feel night then it won't build Nike
If it don't build Nike and your bills still tight
You'll be workin' for the man the rest of your life
So I'm a busy man with places to be
Because the man were tryna put a case on me
So Busy Bee was the man in the place to be
Or when Jordan hit the draft after '83

Yeah, at one point I should've been on Slam Magazine
'Cause I slammed every model you saw in the magazine
Then I turned into Supreme, made a mill' in a day
But part of being supreme is what they did to Jermaine
Yeah, I've seen first hand how they hide extortion
Take your first born and make you sign divorces
And I know I've been a thorn in the side of the [?]
But I had to choose a side that comes with the Porsches

Ayy, we did what we did to get paid
How they think all them millions got made?
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies

Ayy, we did what we did to get paid
How they think all them millions got made?
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies (Uh-uh)
No apologies

For what? (For what?)
