

## Goodbye Ole Me

## Consumed By Fire

Look what He's done  
I've been set free  
Every mistake  
He washed me clean  
When I lost my way  
Amazing grace found me

Goodbye ole me  
I'm not myself  
It's no longer me that's living  
It's like I'm someone else  
He rescued me  
Loosed me from Hell  
I'm giving up what I was holding  
So long, adieu, farewell  
Goodbye ole me

These brand-new clothes  
Look good on me  
I'm wearing favor  
Like kings and queens  
My righteousness  
Is more than what you see  
I'm righteousness  
'Cause Jesus lives in me

Goodbye ole me  
I'm not myself  
It's no longer me that's living  
It's like I'm someone else  
He rescued me  
Loosed me from Hell  
I'm giving up what I was holding  
So long, adieu, farewell  
Goodbye ole me

Let the church rise up  
Let 'em say so  
The redeemed of the Lord  
Let 'em say so  
Let the saints rise up  
Like the morning sun  
Let 'em say so  
I'm never gonna go back (Never gonna go back)  
I'm never gonna turn back (Never gonna turn back)  
I'm never gonna go back (Never gonna go back)  
So long, adieu, farewell  
Goodbye ole me

Oh  
It's like I'm someone else

Goodbye ole me  
I'm not myself  
It's no longer me that's living  
It's like I'm someone else  
He rescued me

Loosed me from Hell  
I'm giving up what I was holding  
So long, adieu, farewell  
Goodbye ole me
