

Walk With Jesus

Consumed By Fire

So many people
Trying to fill a void inside
So many questions
Asking how, asking why
I might not have all the answers
But I've tasted and I've seen
There's a better path with Jesus
There's no going back for me

I'm gonna live the way He says to live
Do what He says to do
You can choose whatever road you choose
But I'm gonna love the way He says to love
Trust the way He says to trust
This world alone will never be enough
So I'm gonna walk with Jesus
I'm gonna walk
I'm gonna walk
I'm gonna walk with Jesus
I'm gonna walk with Jesus

He's in the leading
That's why I follow where He goes
He's in restoring
All the lost and broken souls
He keeps moving rich in mercy
He meets us where we are
No matter where you've gone
No such thing as gone too far

I'm gonna live the way He says to live
Do what He says to do
You can choose whatever road you choose
But I'm gonna love the way He says to love
Trust the way He says to trust
This world alone will never be enough
So I'm gonna walk with Jesus

I'm gonna walk
I'm gonna walk
I'm gonna walk with Jesus
I'm gonna walk with Jesus
I'm gonna walk
I'm gonna walk
I'm gonna walk with Jesus

Though none go with me
Still I will follow
Though none go with me
I'm gonna walk
I'm gonna walk
Though none go with me
Still I will follow
Though none go with me
I'm gonna walk
I'm gonna walk
Though none go with me

Still I will follow
Though none go with me
I'm gonna walk
I'm gonna walk

I'm gonna live the way He says to live
Do what He says to do
You can choose whatever road you choose
But I'm gonna love the way He says to love
Trust the way He says to trust
This world alone will never be enough
So I'm gonna walk with Jesus

I'm gonna walk
I'm gonna walk
I'm gonna walk with Jesus
I'm gonna walk with Jesus
I'm gonna walk
I'm gonna walk
I'm gonna walk with Jesus
I'm gonna walk with Jesus
I'm gonna walk
I'm gonna walk with Jesus
I'm gonna walk with Jesus
