

Evil Prevails

Convulse

Atomic clocks - count the time
Tick of doom - extinction of mankind
Devastated - Toy soldiers age of ten
Intoxicated to neverending hell

Dead babies not buried - macheted, split in half
Women gang raped, legs torn apart
Evil prevails - ashes to ashes, dust to dust
Evil prevails - the basic needs of humankind

False religion - false belief
Righteous excuse - to kill as many as you can
Eternal life - vestal virgins to one who is brave enough to dress up in detonation...

To kill as many you can...
Paradise sold with the price of a soul

Evil prevails - from blast to blast, soul to soul
Evil prevails - From womb to tomb, man to man
Transoceanic annihilation
There's no one left to kill, to die

Evil prevails - ashes to ashes, dust to dust
Evil prevails - the basic needs of humankind
Evil prevails - from blast to blast, soul to soul
Evil prevails - From womb to tomb, man to man
Man to man, man to man, man to man...
