## Conway the Machine

Yeah

I'm comin' back to purposely fuck you niggas up, man  
I'm comin' back to fuck niggas up, man, look

Me and my bitch like Dennis Rodman and Carm' Electra (Ha)  
Snort a big line right from off the dresser  
I'm the main source of the culture, I'm love's professor  
The one that every major label wanna all get next to (Facts)  
And that's just from recordin' pressure, all it cost was effort  
Bars so electric, shit might could charge your Tesla (Talk to 'em)  
Used to scrape the pot 'til I get all the extras (Wait)  
Gas from L.A., I get it back and charge an Austin Ekeler (Hahaha)  
It's a lot of niggas in the streets I lost respect for  
Soon as a nigga think you slippin', he gon' make attempts to cross and stretch you (Watch these niggas, man)  
You get whatever in your safe, they place you on a stretcher (For real)  
Be careful

Nobody never gave me nothin'  
I was down and out, nobody tried to save me from it (Y'all ain't try to do s hit to help me)  
Now they got they hands out once I made this money (Got y'all hand out)  
Keep it on me, I can't let you niggas take this from me, no (Fuck outta here , nigga)  
No (I got it from here, I got it from here)  
I can't let a nigga take this from me, no (Know I got my shit on me, nigga)  
No (I ain't lettin' you niggas take shit)  
Keep it on me, I can't let you niggas take this from me, no (Fuck outta here )

I can't let you take this from me (Not at all)  
Ridin' in the space, shit comfy (Vroom)  
Blue hunnids in both pockets (Uh-huh)  
Know you niggas plottin' but you won't stop it ('Kay)

Young boy poppin' thirties like they Advils (Woo)  
Nigga died from heart attack, he took a bad pill (Woo)  
Had them while he was on his last drill (Woo)  
Home invasion gone wrong, he got his ass killed (I swear)  
These rap niggas quick to sign a bad deal  
Spend up that advance on jewels, you owe a bag still (Ha)  
Ha, you owe a bag still (You owe a bag, nigga)  
Lil' nigga broke, he blew his last mil' (You heard it)  
I'm that nigga, let me remind y'all (Uh-huh)  
Benz dealership, I blew what you signed for ('Kay)  
Used to sell fifties out the side door (Huh?)  
Thumbin' through a check but I'm always tryna find more (I'm hustlin', nigga )

Nobody never gave me nothin'  
I was down and out, nobody tried to save me from it  
Now they got they hands out once I made this money  
Keep it on me, I can't let you niggas take this from me, no, no  
I can't let a nigga take this from me, no, no
