Conway the Machine

Yeah

I seen it a lot, yeah

I seen it a lot, uh

I seen it a lot

I'm from the bottom, went straight to the top, I'm in the hood, I'm still on my block

I know some shooters that run in your spot, hit you with a shot, I seen it a lot

Yeah, I seen it a lot

Uh, I seen it a lot, nigga, I seen it a lot

I'm the big homie, I just make a call, don't gotta lift up a finger at all
When it's a issue, I hit up my dawg, bigger the gun, the harder they fall (B oom, boom, boom, boom)

I know some niggas that's behind the wall, did like a dime and leave with a scar

Niggas that's still gettin' money in prison, rock Cartier glasses, spinnin' the yard

Ain't no drive-

bys, we in your bushes, we jumpin' out while you was parkin' your car

Shootin' their yard, shit leave you scattered all over the grass, like leave s in the fall (Hahahaha)

We gon' slide by, get back, the rest of them niggas, we killin' whoever invol ved

We gettin' 'em all, young nigga already caught him two bodies, he itchin' fo r more

Yeah, nigga, we still in the trenches, scope on the stick, I can hit you fro m distance

Fuck nigga thought he was ridin' on me, got the drop on him first, put a end to his mission

Young nigga been gettin' rich in the kitchen, gun on the table, he weighin' and whippin'

Niggas start hatin', we ain't even trippin', we just gon' pull up and spray him and clip him (Brr)

I used to light up my room with a candle, I had to get all my loot in the ba ndo

If we talkin' keys, I just moved a piano, still in the hood with my Uzi

The handle got tape on it, Al, you a fool with this sample, hard in the pain t like I'm Julius Randle

Get out of pocket, I'm poppin' this rocket, I promise that I'ma make you the example

I'm from the bottom, went straight to the top, I'm from the hood, I'm still on my block

I know some shooters that run in your spot, hit you with a shot, I seen it a lot

Yeah, I seen it a lot, nigga, I seen it a lot

I been through it all, I seen it a lot

I'm from the bottom, went straight to the top, I'm from the hood, I'm still on my block

I know some shooters that run in your spot, hit you with a shot, I seen it a lot

Yeah, I seen that shit, I seen it a lot

Niggas run down on this shit, nigga, I seen it a lot

Yeah, niggas should really be payin' me homage, be in them trenches, I'm str

aight from the bottom
Dropped out of school, never made it through college, I got in the game and
I made a few commas (Got a bag, nigga)
I put on for the city, I did it for Chello, I made him a promise (ChineGun)
I wasn't stoppin', this was before any deal, I was still still sellin' narco
tics
Smokin' this chronic, it's givin' me , gun on my hip, ain't no question, I g
ot it
Keep me a young nigga with me that stay with a pole and he waitin' impatient
to pop it (Brr)
Real nigga, watch what you say in my comments, I'll drop off a bag, I'll pay
a few dollars
I'll have niggas next to you, aimin' the TEC at you, shootin' at you right i
n front of your mama (Hah)
Yeah, don't make me get your location (I know where to find you, nigga)
Yeah, don't make us grip up and take us a mini vacation (We on the way, puss
y)
Every time brodie start shootin' his chopper, he feel the sensation (Hahahah
a)
Yeah, he got your name on his list and he finna erase it (Facts)
Bousin said he ain't reportin' no more 'cause he sick of probation (Cap)
They tryna see who gon' catch the most bodies, them niggas is racist (Talk t
o 'em)
I'm 'bout to go back to Johnny and get the Rolex and the bracelet (Hah)
Yeah, I'm eatin', my nigga, Machine is that nigga, just face it

I'm from the bottom, went straight to the top, I'm from the hood, I'm still
on my block (Straight to the top, nigga)
I know some shooters that run in your spot, hit you with a shot, I seen it a
lot (You know them shooters, nigga)
Yeah, I seen it a lot, I seen it a lot (I seen that a lot)
I been through it all, I seen it a lot (With my own two eyes, nigga)
I'm from the bottom, went straight to the top, I'm in the hood, I'm still on
my block
I know some shooters that run in your spot, hit you with a shot, I seen it a
lot (Shit real out here, Main Street)
Yeah, I seen it a lot (Eastside, Westside, Buffalo shit)

You know what this is?
Yeah, it's coke
Yes, but that's a kilo of coke
How much it's worth?
Twenty-five thousand
Damn
Not, damn, that's damn good, okay?
Yeah, I'm sayin'
The shit on the street is garbage, this is good
It's washed with acetone and kerosene
This is the best product
Twenty-five is the street price
Of that, I get eighteen
Forget about heroin, this is the way of the future, baby
Hah, hahaha
Crazy, man
