

Crazy Avery

Conway the Machine

Yeah, uh
Timbo, Machine
You know what the fuck is up, right?
Uh, uh

All this ice on my body can change the seasons, nigga
Freezing temperatures make June feel like it can be December (Woo)

Me and C had to push to a T like Steve and Victor (Yeah)
Them DWs like Jesus pieces on East in Memphis (Talk to 'em)
Please remember, if any treason, you'll be dismembered (Uh-huh)
Beefin' with us, please reconsider, we demons, nigga (I swear)
See, we some killers, you'll be deceased or at least you injured

We squeezin' triggers on shit that's big as a three-foot midget (Doot-doot-doot-doot)

Weed and liquor is the elixir, I feed my liver
The needed mixture for me to paint the completed picture (Talk)
Give me a Swisher, I need the twist-up, I need it quicker (Roll up)

I'm greedy, nigga, ain't sleepin' 'til all my people richer (Facts)

For legal tender, you need a kilo, then we deliver
We beef with hitters that squeeze at you through your peephole, nigga (Haha)

Transfer to Florida, I'm winnin' like I was Tebow, nigga (Uh-huh)

Go read the scriptures, my mind as deep as the deepest river (Yeah)

It's spooky for rappers, teeth will quiver, your people with ya? (Uh)

Ain't reached my pinnacle yet, but on beats, I beat contenders
It's evil, nigga, the game is full of deceitful niggas
Your stream of digits determine if they increase your figures (Yeah)

But peep, though, nigga, nobody seein' Machine, though, nigga (Not at all)

My brain is PlayStation 6 and they ColecoVision (Haha)
It's ego-

driven, you broke, don't wanna complete your mission (Uh-uh)
Like three, four million a year, I built me an ecosystem (Okay)
Used to be all black, face covered like we some ninjas
And breach your premises, now I chill on a beach with women (What up, baby?)

You see I'm pennin' this ether, they want a feature with him (Bet)

The leadin' all-star vote getter in the East Division
Machine, you bitches
