

# Jail Freestyle

Conway the Machine

Thank you

Had a talk when my uncle, he said "Boy, you gots to do better,  
you do a lot for those niggas" (Do a lot)  
Though, people ungrateful, you say no, they hate you  
You gotta watch for those niggas (Watch)  
Them people just wanna take, they gonna take everything that yo  
u got if you give it (I swear)  
You should maybe remember, like, damn, I got shot and ain't eve  
n get no hospital visits, like  
'Member that? Damn  
Yeah, that shit is illogical  
They just pretend that they rock with you  
They just want what you got, wanna be in the spotlight  
Or maybe worse, they want your spot from you (For real)  
This shit wasn't easy, bro, I overcame every obstacle placed in  
front of me when shit seemed impossible (I did)  
I just put in the work and I still got a lot to do  
My spirit incomparable, I know my heart is too big  
I know I gotta learn how to tell people no sometimes  
Man, I know what I got to dos  
Dealing with that depression when nobody checked on me, smoking  
this pressure, it got me through  
It got me through, yeah  
I know fake love when I see it (Huh?)  
That fake love, I don't need it (Huh?)  
I take drugs 'cause I need it (Facts)  
Yeah, sometimes I hate love I'm receiving  
I question love that people show me (Who are you?)  
Like, how you love me? You don't know me (Who are you?)  
Would you love me if you knew the old me? (Would you love me?)  
Before the bag, before the Rollie  
'Fore I signed a deal with Shady with the brodie  
Speaking of Shady, man, after my interview I did with Vlad, I f  
elt awful  
But I learned you gotta watch what you say in interviews it can  
cost you (Talk to 'em)  
What can say? My relationship better with 'Ye than with Marshal  
I  
But I still ain't got nothing bad to ever say about Marshall (F  
or real)  
Just keeping it funky, I'm thankful for Marshall  
Man, I'm thankful for Tracey and Paul too  
Specially, my agents, my dog too (My nigga)  
We 'bout to drop, God Don't Make Mistakes, boy, and maybe do Pa  
rt 2  
And even if we don't, I'm thankful regardless
