

# Nothin Less

## Conway the Machine

Look, every Cuban link is at least a kilo  
Verses by the Machine and the beat from Preemo (Preem)  
I do it for the streets when I release a single  
Know I'ma always keep it a C-note (A hundred, nigga)  
The MAC in back of the Charger  
My youngin line you up clean, you ain't gotta go back to your barber (Hahaha  
)  
They love me for the fact that I'm actually harder  
I probably sold crack to your mother and smack to your father (Cap)  
Can't get to you, then we whackin' your daughter  
Probably wrap her in a carpet, let her body go splash in the harbor (Splash)  
Yeah, smokin' wax while I'm blastin' The Carter  
I ain't never satisfied, so I have to go harder (Harder)  
Story of my life, every chapter I authored

Keepin' it raw, nothin' less or more  
Keepin' it raw, nothin' less or more (Neck heavy as a bitch right now)  
It's only right

Doctor Birds' rice and peas, the chicken is curry  
Body on the pistol, the blicky is dirty  
Two shooters by the door and they grippin' the thirty  
That's why they both got fifty pointers like Mitchell and Murry (Ha)  
Thought he was runnin' down, we clippin' him early (See)  
They checkin' my release dates, them niggas is worried (Hahahaha)  
Caught me lackin' before, but it didn't disturb me  
'Cause I just dropped another bag, I'm gettin' 'em buried (Good night)  
You violate us, then you know it's beef  
I'm from where the fiend clean your whole backyard just to smoke a piece (Uh  
huh)  
Lil' brother still keep the pole in reach  
I tried to tell him, "Bro, you free" (Chill)  
You already gave them crackers nine years of your life  
That's four behind the wall, another five on post release (Talk to 'em)

Keepin' it raw, nothin' less or more (But you know the streets, yeah)  
Keepin' it raw, nothin' less or more  
It's only right

Yeah, Machine, bitch  
DJ Premier, you know this for the culture  
You know what I mean?  
This shit had to happen, nigga  
You gotta have the illest MC and the illest producer of all time on the same  
fuckin' record  
Doin' what we do best  
Rest in peace Guru  
Rest in peace Prodigy  
Rest in peace ChineGun

Keepin' it raw, nothin' less or more (Rest in peace DJ Shay)  
Keepin' it raw, nothin' less or more (Yeah)  
It's only right
