On the road to the riches, tri-colored Benz's with interest  
Balmain moto, eatin' Sotto Sotto  
Cuban links, bolo enter your head, polo for dolo  
Gunshots Manolo, poppin' PJ when I show doe  
Coke prices so-so, 40 for a whole dough  
in the microwave, fried rice nice  
The greens was creased, Jesus piece spinnin'  
Seems like the lames ain't want to knock no more, Glock in jaw  
a nigga knock it off, top his Porche  
Kick in your door, son's special, we'll wet you  
All red Ralph lookin' like the Devil, we fly niggas  
Tell Donna yo we got her, Prada rockers  
Garlic butter on the chops and lobsters  
Ran hammers like Sanders  
You know the grammar glammer, hid the nine in the hamper  
(Doo doo doo doo doo doo doo doo)

Yeah, it's all real nigga, look  
All I need is a gun and key  
A kush trap where I can see brick money from keys  
I don't fuck with these rap niggas, now they gunnin' for me  
You wouldn't even be familiar if it wasn't for me  
You can't even fuck with the shit I don't write  
I got hit in the head, I'm blinkin' everything on sight  
That's on God nigga, I ain't finna fight  
I'ma put out your lights and I ain't even have to hit you twice  
Same clip, I ain't reload  
Niggas use the sack to justify not livin' by the G code  
Regardless of how much bread in your stash  
That won't stop a junkie from findin' your head in the trash  
I'll send a shooter to your residence fast  
Wavin' the Wesson with the vest and a mask  
Like, "where the rest of the cash?"  
Look, reject back from hell, hit the wax, inhale  
Clap your shell, Griselda jack you with the Taxi 12's, Conway
