Don't You Know

Conway Twitty

Love me, babe
I wanna hold your hand
Tell you're true
And I'm your loving man

Don't you know
That I love you so
And that I'd die
If you ever go?

Love me, baby
I wanna hold you tight
Cause I love you
I wanna treat you right

Don't you know
That I love you so
That I'd die
If you ever go?

Don't you know?
You know
I love, I love you
I swear
I swear
By stars above you

I need
I need
I need you so much
I thrill
I feel
To your touch

Love me, babe
I wanna hold your hand
Tell you're true
And I'm your loving man

Don't you know
That I love you so
That I'd die
If you ever go?
Yeah

Well, don't you know?
You know
I love, I love you
I swear
I swear
By stars above you

I need
I need
I need you so much
I thrill
I thrill

```
To your touch

Love me, babe
I wanna hold your hand
Tell you're true
And I'm your loving man

Don't you know
That I love you so
That I'd die
If you ever go?

Tell me, baby
Oh, baby, don't you know?
Tell me, baby
Baby, don't you know?
Tell me, baby
Baby, don't you know?
```
