

# Fever

Conway Twitty

Never know how much I love you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear

You give me fever - when you kiss me  
Fever when you hold me tight  
Fever - in the morning  
Fever all through the night

Sun lights up the daytime  
Moon lights up the night  
I light up when you call my name  
Because you know I'm gonna treat you right

You give me fever - when you kiss me  
Fever when you hold me tight  
Fever - in the morning  
Fever all through the night

Now listen to me baby  
And hear every word I say  
No one can love you like I do  
Cause they don't know how to love you my way

You give me fever - when you kiss me  
Fever when you hold me tight  
Fever - in the morning  
Fever all through the night

Well, now you've heard my story  
Here's the point that I have made:  
Chicks were born to give you fever  
Be it fahrenheit or centigrade

They give you fever - yeah, when you kiss them  
Fever when you live and learn  
Fever - till you sizzle  
What a lovely way to burn

What a lovely way to burn  
What a lovely way to burn...
